Embracing natural materials the JENSON credenza with shelving section, combines stunning wood veneer doors along side solid timber and compact grade laminate.

Its key defining feature is the exquisite rounded mortise and tenon joints, showing both the precision and craftsmanship expected of a James Burleigh product.

The JENSON offers substantial style and versatility, providing ample storage and display opportunities for all your needs.

Particularly suitable for open plan offices that want to zone off areas without introducing a solid wall. Options for mounting whiteboards. Ideal for work meetings and presentations.
